

Directions to MTL at Butterfield Business Park

MTL is now located at Butterfield Business Park. The address is:
MTL Instruments, Great Marlings, Butterfield Business Park, Luton LU2 8DL.

Adequate parking is available in the MTL car park.

Butterfield Business Park is situated at the Luton end of the A505 running between Hitchin and Luton. Exit the A505 by the roundabout between Putteridgebury College and the Vale Crematorium (at the Hilton Garden Inn hotel). Driving into the business park (along Great Marlings), proceed straight ahead at the roundabout in 150 metres.

The MTL building is directly ahead at the rear of the business park (after about another 250 m, where the road bends left). Take the spur road right at this point to enter the MTL car park. The company sign shows 'Cooper Crouse Hinds, MTL Instruments'.
