

UK GTEM USER GROUP MEETING
Tuesday 28th October 2003
Schaffner Ltd., in Wokingham 10.30 for 11am

The next meeting of the GTEM User Group will be on Tuesday 28th October at Schaffner Ltd., in Wokingham, courtesy of Andy Perkins. Please find a map attached. We have an interesting agenda see below and hope as many of you as are able will attend.

Agenda

10.30 Registration and Coffee

11.00 Main meeting -

1) Apologies - mailing list additions/corrections

Minutes (June 24th) - please bring them with you - any errors?

2) UPDATE ON;

Emission testing - exchange of procedures - anything to report?

Plastic foam jigs

GTEM Best Practice Guide - latest situation - availability

NPL new work programme - the GTEM situation

Functional safety tests

Moving the NPL GTEM

3) THE NEW PFD (POWER FLUX DENSITY) BEST PRACTICE GUIDE FROM NPL -

A PRESENTATION by PHIL MEREWOOD from NPL

EVERYTHING (?) YOU NEED TO KNOW ABOUT FIELD MEASUREMENT BUT DARE NOT ASK(!)

4) FIELD MEASURING PROBES - PAST, PRESENT AND NEW POSSIBILITIES FOR SAR/EMC

DAVID RILEY takes a brief look at this subject and invites our comments.

WHAT IS OUR WISH LIST - COULD THIS CHANGE THE WAY WE DO OUR TESTING?

5) THE NEW IEEE PROJECT ON GTEM CELLS - launch information

6) THE FUTURE AND AIM OF THE GROUP - Do we know it all now?

DISCUSSION

7) THE USE AND MAINTENANCE OF THE WEB SITE - When did you last look at it?

DISCUSSION

8) EXCHANGE of information from commerce, industry and academia.
What's your pet topic this time?

9) Dates of next meeting(s)- How often?

Hope you can all make it - we miss you when you are not there!
Refreshments provided free at regular intervals by courtesy of our hosts
Schaffner - Wokingham.
Arrangements by Andy Perkins

Please can you let Ian Alderman know if you intend coming so that I can forward
numbers to Schaffner. Please also
let me know if you are sending apologies. Thankyou.

Best regards
GTEM User Group
Roger Dixon, Chairman.
Ian Alderman, Secretary
